TAI

Tai Huynh is Creative Director at UHN OpenLab, a design and innovation studio dedicated to a human-centred approach for advancing health and its social determinants. He is Editor-in-Chief of The Local, an independent magazine exploring urban health and social issues in Toronto.

Tai is co-founder of Choosing Wisely Canada, the national voice for reducing unnecessary tests and treatments in health care.

Tai has a Master of Design from OCAD University, MBA from York University and Bachelor of Science from the University of Toronto.
